

TITLE OF THE THESIS

Name of the Author

TITLE OF THE THESIS

*Thesis submitted to the
Indian Institute of Information Technology Guwahati
for award of the degree*

of

Master of Technology

by

Name of the Author

under the supervision of

Name of the Supervisor

**DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING
INDIAN INSTITUTE OF INFORMATION TECHNOLOGY GUWAHATI**

October 2019

CERTIFICATE

*This is to certify that the thesis entitled “**TITLE OF THE THESIS**”, submitted by **NAME OF THE AUTHOR** to the Indian Institute of Information Technology Guwahati, for the award of the degree of Master of Technology, is a record of bona fide research work carried out by him under my supervision and guidance. The thesis, in my opinion, is worthy of consideration for the award of the degree of Master of Technology in accordance with the regulations of the Institute. To the best of my/our knowledge, the results embodied in the thesis have not been submitted to any other university or institute for the award of any other degree or diploma*

Name of the Supervisor,

Designation,

Department of Computer Science and Engineering

Indian Institute of Information Technology Guwahati

Date:

DECLARATION

I certify that

- a. The work contained in this thesis is original and has been done by me under the general supervision of my supervisor(s).
- b. The work has not been submitted to any other Institute for any degree or diploma.
- c. I have followed the guidelines provided by the Institute in writing the thesis.
- d. I have conformed to the norms and guidelines given in the Ethical Code of Conduct of the Institute.
- e. Whenever I have used materials (data, theoretical analysis, figures, and text) from other sources, I have given due credit to them by citing them in the text of the thesis and giving their details in the references.
- f. Whenever I have quoted written materials from other sources, I have put them under quotation marks and given due credit to the sources by citing them and giving required details in the references.

NAME OF THE AUTHOR

ACKNOWLEDGMENTS

Acknowledge of different sources during the entire thesis

ABSTRACT

Abstract of the thesis to be written here

List of Abbreviations

IITG	Indian Institute of Information Technology
CSE	Computer Science and Engineering
PhD	Doctor of Philosophy

List of Tables

Chapter 1

Introduction

Write chapter 1 as Introduction

1.1 Motivation

Write Motivation of the thesis briefly

1.1.1 first contribution

Briefly write the motivation of the first contribution

1.1.2 second contribution

Briefly write the motivation of the second contribution

1.2 Objective of the thesis

The objective of this thesis are....

- i Write objective of the first contribution
- ii Write objective of the second contribution

1.3 Contribution of the thesis

In this thesis, we have developed a solution

In summary, the areas of contribution of this thesis are ...

1.4 Organization of the thesis

The rest of the thesis is organized as follows.

In **Chapter 2**, we reviewed

In **Chapter 3**,

In **Chapter 4**,

Finally, we conclude in **Chapter 5**,

Chapter 2

Literature Review

Chapter 3

First Contribution

Chapter 4

Second Contribution

Chapter 5

Conclusion
